Advanced PAPER 2		
You must have: Resource booklet (enclosed) Calculator, ruler		Total Marks

Instructions

- Use **black** ink or ball-point pen.
- Fill in the boxes at the top of this page with your name, centre number and candidate number.
- Answer **all** questions in Section A.
- Answer **one** question in Section B and **one** question in Section C.
- Answer the questions in the spaces provided there may be more space than you need.
- Any calculations must show all stages of working out and a clear answer.

Information

- The total mark for this paper is 105.
- The marks for each question are shown in brackets
 use this as a guide as to how much time to spend on each question.
- Calculators may be used.

Advice

- Read each question carefully before you start to answer it.
- Check your answers if you have time at the end.

Turn over 🕨

SECTION A

Globalisation / Superpowers

Answer ALL questions in this section. Write your answers in the spaces provided.

1 (a) Explain **one** way governments can attract foreign direct investment (FDI).

(4)
